

New business: changing the business meetings to 1st Saturday of each month. Last year we changed our meeting day as a trial, to increase attendance . I believe we has lost some members as they have to be back to work on Mondays in the valley and others want to spend more time with their friends and family's on Sunday. Saturday was for 70 years a meeting place for the north forkers and it worked, you can not always please everyone, but it did work .
